

2025

IEC/Enterprise Singapore International Conference

*Building Trust in Environmental Services
– Supporting a Circular Economy*

Enterprise Singapore, the Singapore National Member Organisation for the IEC Quality Assessment System, IECQ, invites you to participate in this important event.

Conference Key Themes:

- *Lowering the environmental impact of electrical/electronic goods through design, reuse, recycling, and responsible disposal.*
- *The links between electrical/electronic goods manufacturing/design/disposal, records management, and information security, as well as specific examples of the IECQ Global Schemes covering Carbon Footprint Verification / Hazardous Substances and others.*
- *Reliance on Environmental performance claims, aligned with pending Regulatory requirements and the EU Green Claims Directive.*

Program

08:40 – 09:00	Registration
09:00 – 09:10	Welcome and Introduction
09:10 – 09:15	Address by IEC President
09:15 – 09:45	IEC Standards and Conformance (S&C) activities supporting Environmental Sustainability
09:45 – 10:15	IEC Environmental Conformity Assessment (CA) Services <i>Introduction to IECQ's suite of environmental CA services and their relevance to industries supporting the circular economy, with focus on carbon footprint.</i>
10:15 – 10:45	Singapore standardisation activities supporting sustainability <i>Key initiatives that promote sustainability efforts through standards, certification and industry collaboration.</i>
10:45 – 11:00	<u>Coffee/Tea Break</u>
11:00 – 11:20	Global regulatory requirements and reliance on environmental performance claims <i>Insights into how international regulatory frameworks (e.g. EU Green Claims Directive etc.) are shaping sustainability claims and their verification</i>
11:20 – 11:50	Unlocking the benefits and opportunities of IECQ Environmental CA services <i>Sharing by early adopter, highlighting benefits and opportunities for labs and certifiers looking to become IECQ Certification Bodies.</i>
11:50 – 12:20	Open Discussion
12:20 – 12:30	Closing Remarks
12:30 – 13:30	Lunch and Networking

This international event is a sponsored event that is free to attend. Enterprise Singapore and the IEC are hosting this informative event in line with the 2025 Annual IECQ General meeting in Singapore.
